

DID YOU KNOW...?

...that you can read our large selection of ebooks on your smartphone, tablet or computer?

1. Download **OverDrive**, a free app, to your smartphone or tablet. 
2. Set up an account.
3. Choose Dallas ISD as your library—NOT your school.
4. Sign in with your DISD student ID #. Your Pin# is the last 4 digits of your ID#.
5. Search for your book. You can browse all the books or, if you know the title or author, click on the .
6. Tap on a book you want to checkout. Tap BORROW. When you've chosen the books you want, go to CHECKOUTS.

TIME TO MAKE A CHOICE!

--- You can download it in the format your device uses: Kindle if you have a Kindle, Adobe if you don't. For **Kindle**, you will need a free **Amazon.com** account. For **Adobe epub**, you'll need to download the free **Adobe Reader App**.

OR

--- You can choose to skip both of these options and read it through the **OverDrive App**. To do this, choose "Read (in your browser option)." Tap the upper left hand corner of the screen to slide the book to the right side of the screen***. Scroll down and choose OFFLINE ACCESS . Follow the directions to add the book to your home screen.

7. The book is now yours to read for two weeks (You may be able to change it to 3 weeks when you set up your account)! You can return it early or it will return itself in two (or three) weeks.
